RELATED EXPERIENCE

Finance Intern Western Hills Investments Atlanta, GA Summer 2017

- Conducted market research analysis for a Fortune 500 company about the convenience store industry, using the company's proprietary research methodology
- Created financial models that analyzed energy cost savings potential for convenience stores
- Scheduled and participated in phone interviews with senior executives to better understand the operations, equipment and maintenance of convenience stores, restaurants, and institutions
- Synthesized all of the information gathered from interviewees and research in order to make recommendations to the client about potential growth strategies for their business

President Sewanee Angel Fund Club The University of the South 2016-2017

- Manage \$110,000 to invest in start-up companies; to date \$25,000 has been invested in five new companies
- Attend meetings at angel investment locations to assess whether to invest money in start-up companies
- Cultivate dedicated members of this club who learn about angel investing, help make decisions on the investments for the Angel Fund, and monitor the performance of active angel investments

Entrepreneur Gainesville at Night Parking Business Gainesville, FL Summers 2015-2016

- Created a paid parking business for the ten-day Music Festival and the two-week City Cook-Off
- Trained and managed five employees to assist in the operations each year
- Saw an increase of 10% in sales each year and contributed 10% of all sales to a different local charity each year

ACTIVITIES

Trainer Canoe and Kayak Club The University of the South 2015-present

- Instructed current students in a weekly class on roll techniques with a whitewater kayak
- Led weekend trips to local rivers to practice techniques on a local river

President Pledge Class of Tau Gamma Rho The University of the South Spring 2015

- Led pledge class by organizing events, participating in daily chores, and communicating to officers
- Organized the pledges to build a performance stage for the fraternity
- Learned how to manage people in meetings, keep pledge brothers informed, and maintain harmony among the group

Leader & Team Member Wilderness Ventures Jackson Hole, WY 2011-2014

- Instructed fellow students on whitewater kayaking, rock climbing, and backpacking (2014)
- Led weekend trips to various rivers around the southeastern U.S. for beginners to develop their river skills
- Traveled to Costa Rica (2013) to whitewater kayak and became immersed in Central American culture for a week with the program; proficient in speaking Spanish
- Traveled to India (2012) to hike and backpack, and become immersed in the culture for two weeks
- Traveled to Colombia (2011) to whitewater kayak on small creeks while speaking Spanish to the locals and learning about South American culture
