

Graduate Record Exam (GRE)

Ets.org/gre

- Similar in timing and format as the SAT; 5 sections + essay= 4 hrs
- Computer-based only unless you have medical testing exceptions
- Prometric Testing Centers – register online by appointment at ets.org
- Free practice materials online and by phone app
- Study 3-7 days, including practice tests
- Take no more than twice, and aim for once; “Select Scores” option to cancel a score
- \$180; difficult to get financial aid, so look at it like an investment into your future
- Send scores free to 5 grad schools; access scores online for 5 years

Law School Admission Test (LSAT)

lsac.org

- Paper & pencil test, only offered 4 times per year: September, December, February, June
- Take at registered test center (like Sewanee); Strict day of test entrance credentials
- 5 sections + essay = 4 hrs; analytical, quantitative, logic
- Prepare daily for 4-6 weeks; Take no more than twice and aim for once
- Cost \$175; register by creating an account on lsac.org
- LSAC has a Credential Assembly Service (CAS): upload transcript, letters of recommendation and Personal Statement once, to be sent to your law schools, along with scores

Graduate Management Admission Test (GMAT)

mba.com/us

- For the MBA and some business programs; some schools will also accept GRE
- Sections are Verbal, Quantitative, Reasoning, Analytical Writing = 3.30 hrs
- Taken at Pearson Testing Centers or registered universities (Sewanee is NOT one)
