

# WHAT GOES ON A CV?

**IN EUROPE, A RESUME IS OFTEN CALLED A CV OR VITA. IN THE US A CV IS AN ACADEMIC RESUME AND IS USED FOR GRADUATE SCHOOL APPLICATIONS OR WORKING IN HIGHER EDUCATION**

CV's can be two pages; they are a scholarly reflection of your education & experience

- Academic Coursework
- Honors, awards, distinction in comps
- Honorary Societies
- Research
- Papers
- Presentations
- Conferences Attended
- Professional Organizations
- Relevant Certifications
- Relevant Experience
- You can add Volunteer work, college activities, interests, and unrelated work if you have room, but don't go over two pages (at this point in your career it would be exceptional in a negative way to have a 3-4 page CV)
